

Supporting young offenders to change direction

- Are you between 16 – 24 years old?
- Are you unemployed?
- Have you ever been in trouble with the police?

Would you like the opportunity to use your time positively to gain practical work experience, develop new skills and help your community?

Community Challenge is a programme for volunteers, designed to help you get back to work and/or education. We can offer work experience, training in practical skills and workplace issues including Health and Safety which will help you gain a qualification in Work Related Education level 1.

We will offer you support on a 1-2-1 and group basis focusing on your needs, developing your employability skills and confidence for you to reach your goals.
